Did We Meet Your Needs?

Customer Service Survey Seeks Input

Boulder City staff work hard for our residents. Did a staff member go above and beyond? Were you disappointed in the service you received? Help us make sure we are doing our best. There are three ways to take a brief survey:
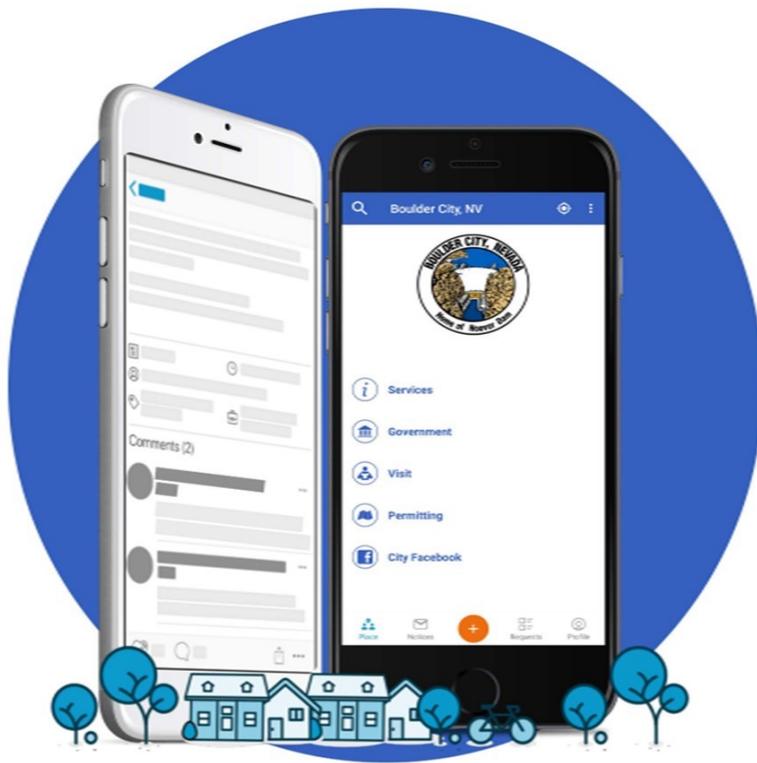

- Staff have a link in their email signature line
- Visit **www.bcnv.org/feedback**
- Use the QR code here

Thank you for your time and opinions!

City Hall Listens to You 24/7 - Even During the Holidays!

When City Hall is closed, you can still contact us around the clock regarding code violations, water waste, parking issues and other concerns via the app, "See Click Fix." Share locations, photos and other information that helps our staff respond quickly to your needs. You can also report concerns on your computer by going to **www.bcnv.org/concerns**.

The SeeClickFix app is the easiest way to submit non-emergency requests to the City of Boulder City and stay updated on our response efforts. Download "SeeClickFix" and enter Boulder City, or visit www.bcnv.org.
