SNWA Increases Cash for Turf Removal

Maintaining grass in the desert is RUFF, but not to worry – for a limited-time only, Southern Nevada Water Authority (SNWA) has raised the WOOF on the Water Smart Landscapes Rebate!

Whether you do it yourself or hire a contractor, SNWA will rebate single-family residential properties \$5 per square foot of grass removed* and replaced with desert landscaping up to the first 10,000 square feet converted, and \$3.50 per square foot thereafter per property.

Visit www.snwa.com for more information today!

For homeowners only. Project must be completed in 2024. Restrictions apply. Landscape conversions must be completed in 2024 to be eligible. You must apply prior to removal.

Help us help you! The more up-to-date we keep our records, the better we're able to share relevant information with you. Please take a few minutes to make sure we have your current contact information and complete the information below.
