# City of Boulder City

## Participate for a Chance to Win \$50 in Gift Cards!

Getting ready to shop for the holidays? Go no further than the Downtown Historic District for all your gift needs ... and a chance to win a gift for yourself in the new year!

Starting November 15, the City of Boulder City is promoting the Downtown Historic District Passport Program! Explore and support our local downtown businesses, and you could win \$50 in gift cards!

- Between November 15 and December 31, 2025, visit participating businesses in the Downtown Business District and request a stamp for your passport. (Participating businesses are listed inside the passport.)
- Once every business has stamped your passport, follow the instructions to enter the drawing and possibly win two \$25 gift cards from local businesses.
- Up to 150 gift cards are available to win. No purchase necessary to enter.
- One passport per household; must be 18 or older to win.
- See [www.bcnv.org/passport](http://www.bcnv.org/passport) for all rules and restrictions.

Boulder City Passports will be available at City Hall or participating businesses in the Downtown Historic District starting November 15. Look for Passport posters in store windows or online for distribution locations.

The program is designed to increase foot traffic, promote local shopping, and create a fun and engaging experience for all.

The back of the passport includes special events in Boulder City through the holiday season. We invite you to consider shopping local during one of the great holiday events coming up, listed on the next page!
